

Company Profile: 3D Studio Architecture & Interiors

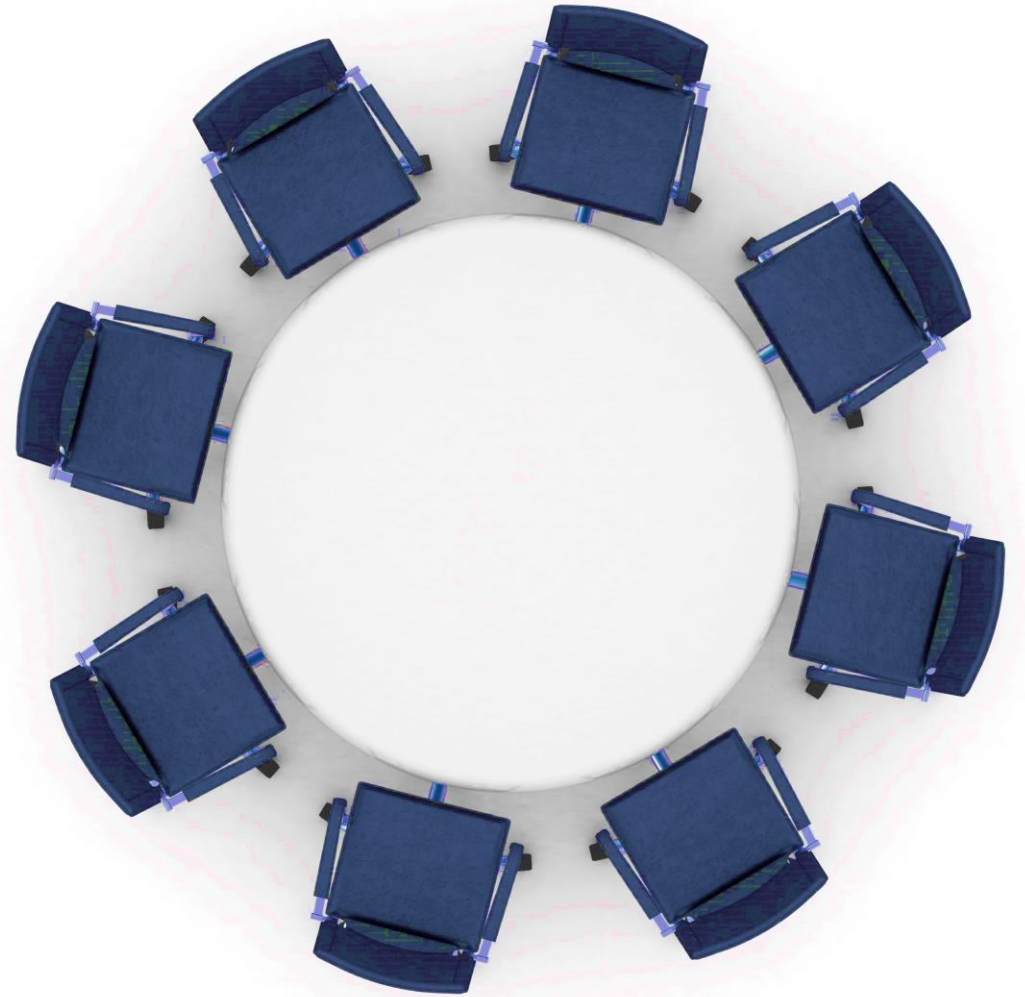

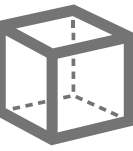

Your Vision, Our Execution!

Who We Are

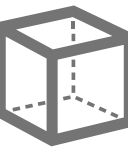

W e m a k e s p a c e s t a l k !

We are a distinguished team of architects, structural engineers and interior designers specializing in turnkey projects for leading banks and corporate spaces in India. With 35 years of experience and a relentless drive for innovation, we deliver bespoke solutions that combine modern design trends with functionality and efficiency.

At our core, we believe in transforming spaces into vibrant ecosystems that inspire, engage, and elevate brand identity.

Our Services

From concept to execution, we provide comprehensive services, including:

Turnkey Solutions

- Corporate Interiors:** Modern, ergonomic designs tailored for productivity and aesthetics.
- Furniture Solutions:** Custom and modular designs crafted for elegance and utility.
- Site Works:** End-to-end project management ensuring seamless execution.
- Electrical, Networking & Lighting:** Cutting-edge technology integration for smart spaces.
- Civil & Plumbing Work:** Robust, efficient, and compliant infrastructure development.

Architecture & Building Engineering

- Site Appraisal & Evaluation:** Strategic assessments for optimal space utilization.
- Architectural Design:** Innovative and sustainable design solutions.
- Structural Engineering:** Earthquake-resistant and durable construction designs.
- Plumbing, Drainage & Fire Systems:** Comprehensive systems for safety and efficiency.
- Acoustics & HVAC Design:** Enhanced comfort and functionality.

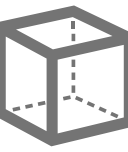

Specializations

- Interior Design:** Banks, BPOs, corporate offices, showrooms, and farmhouses.
- Institutional Architecture:** Educational and recreational facilities.
- Real Estate Development:** Land surveying and master planning.
- Landscape Architecture:** Bespoke hard and soft landscaping designs.
